Advanced Age-Defying Skin Corrector Night Cream

Formulated with SWT-7™
Self-Regenerative System Cell Technology

Saba Lustre Advanced Age-Defying Skin Corrector The Advanced Wrinkle Night Cream

Your skin is the largest organ on your body and one of the most exposed. As a child, your skin is smooth, healthy and vibrant. But as we age, it can become wrinkled, saggy and discolored. Why? Our skin dries and loses its elasticity as it is exposed to a host of factors which attack your skin including age, wind, dryness, sun damage and free radicals. Using Saba Lustre Advanced Age-Defying Skin Corrector will work naturally to help replenish your skin's moisture, firming its appearance and restoring your natural glow to reveal a younger-looking you.*

Key Benefits

- **ELIMINATES THE LOOK OF DARK CIRCLES**
Restores nourishment in form of hydration to the under-eye area removing puffiness.*
- **REDUCES THE APPEARANCE OF WRINKLES**
The boost in collagen and elastin helps retain the skin's dermal structure which results in reduction of the look of fine lines.*
- **ENHANCES SKIN HYDRATION**
Active Ingredients facilitate in trapping moisture, which in turn hydrates the skin.*
- **COUNTERS THE EFFECTS OF STRESS**
Boosts skin immunity and prevents damaging effects of free radicals. Eliminates debris that makes skin dull and discolored.*

Directions

Cleanse your face thoroughly with a gentle facial scrub. Rinse with warm water and pat dry. Apply four to five pumps of Advance Age-Defying Skin Corrector to the clean skin, gently working it into pores with light upward strokes nightly.

Key Ingredients:

SWT-7™: a clinically studied ingredient that helps increase in keratinocyte growth factors production by adipose-derived stem cell (ADCS) results in thicker epidermis with a higher number of cell layers. The epidermis thickness improvement fills in wrinkles as a resurfacing effect.

Advance Moisture Complex: nourishes and hydrates your skin like nothing you've ever tried before. Even rough, dry skin will look and feel noticeably softer, smoother and more supple – with the very first use.

Matrixyl Synthe 6: significantly increases the synthesis of 6 major constituents of the matrix and dermal-epidermal junction. It evens out skin and smooths wrinkles from the inside by rebuilding the skin where it is needed, particularly on the forehead and crow's feet.

Niacamide: Also known as vitamin B3, is very effective in improve the appearance of enlarges, dullness, and a weakened skin surface.
